Laminex® Natural & Flint Finish

Laminex Natural finish is a low sheen, smooth touch finish that gives a very natural look to benchtops and cabinetry. Our standard finish, Natural finish is a durable and low maintenance option. High pressure laminate (HPL) also features Protec+® antimicrobial surface technology, providing antibacterial and antifungal protection which is embedded in the benchtop surface.

Flint finish is a subtle textured finish with a soft sheen, perfect for cabinetry.

With over 170 décors on offer, this range represents the latest in colour and design trends. Featuring inspirational designs ranging from solid colours and stone look surfaces through to stunning realistic woodgrains, the design options are endless.
